

*First Managed Care Option*

# Injured on the Job?

Immediately report your injury to your Supervisor and a call will be placed to First MCO at:

**1-800-831-9531**

You will be referred to a network physician or hospital

## Emergency Treatment

- If the injury is severe (threatening life or limb) call 911.
- If the injury requires emergent treatment, your supervisor may direct you to a network hospital or urgi-center.
- Report your injury to your supervisor as soon as possible.
